Re: Testing Worlds 2019

It was an honor to witness such an excellent testing at this year's Worlds. Everyone's performance demonstrated an acceptable level of physical fitness. Because of that, I decided that in celebration of the 50<sup>th</sup> Anniversary of the ATA, I would waive the ATA Fit Test and award every tester the highest score that can be earned in the fit test.

As we all know the top score on the fit test is a +1. With my decision, every tester received a +1 on their fit test, which is reflected in their final total score.

In addition, I would like to elaborate on the ATA Fit Test. The ATA has been using the fit test for over 15 years. It began as a renewed emphasis on physical fitness in Songahm Taekwondo and it has evolved over the years to its present form. The present ATA Fit Test has become a full-fledged fitness program that can be utilized by any Martial Artist. It serves its purpose, getting one ready to perform at the highest level during Black Belt testing.

The new Presiding Grand Master, GK Lee and the Masters Council will be reviewing the ATA Fit Test and its place in preparing Black Belts to test and in testing itself. Please look for any additional messaging from Grand Master GK Lee as he will keep you informed of any changes.

Sincerely,

Grand Master IH Lee  
9<sup>th</sup> Degree Black Belt  
Dae-sah Boo Nim
